

## Our Unwavering Commitment to Customers

As a UL Subject 764 (ZPFW2 and ZPFW8) certified company, Wallace Electronics makes wire harnesses that meet U.S. and Canadian material and traceability requirements as per the UL database.

Certification from [Underwriter Laboratories \(UL\)](#), an independent, global leader in testing, inspection, auditing, and validation, requires that the components, materials, and systems are in compliance with the UL standards. External audits occur every three months, ensuring that the high requirements for UL certified cable harnesses are always met.

***“Accepting products that are manufactured off-site or by a third party can be worrying, especially because the introduction of noncompliant products into your supply chain can pose a lot of risks. Our Wiring Harness Traceability program helps you mitigate those risks by giving you the information you need to only accept wiring harnesses that have been tested and certified by one of the most trusted sources in the industry.”***

## Benefits of Working with a UL Subject 764 Certified Manufacturer

Our UL Subject 764 (ZPFW2 and ZPFW8) certification signals:

### **QUALITY**

Quality assurance is complicated. Certification removes the guesswork – you’re sourcing from a reputable supplier every time.

### **COMPLIANCE**

Certified manufacturers are held to the highest standards, minimizing costs associated with sub-par, unsafe materials and components.

### **TRACEABILITY**

UL monitors cables every step of the way – from the plant to the final assembly line.

### **TRUST**

UL is well-known for compliance, offering global solutions for acceptance in North America, Latin America, Europe, Middle East and Asia.

# CERTIFICATE OF COMPLIANCE

**Certificate Number** UL-US-2134542-0  
**Report Reference** E103179-19860812  
**Date** 15-Jul-2021

**Issued to:** WALLACE ELECTRONICS INC  
10551 Miller Rd, Suite 300 Dallas, TX  
United States 75238

**This is to certify that representative samples of** ZPFW2 - Wiring Harnesses - Component  
See Addendum Page for Product Designation(s).

Have been investigated by UL in accordance with the component requirements in the Standard(s) indicated on this Certificate. UL Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for installation in complete equipment submitted for investigation to UL LLC.

**Standard(s) for Safety:** UL Subject 764, Wiring Harness, Issue Date 06/01/2009

**Additional Information:** See the UL Online Certifications Directory at <https://iq.ulprospector.com> for additional information

This *Certificate of Compliance* does not provide authorization to apply the UL Recognized Component Mark. Only the UL Follow-Up Services Procedure provides authorization to apply the UL Mark.

Only those products bearing the UL Recognized Component Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Recognized Component Mark on the product.
